Subject: Change in File Number, Blue Beauty Number 28, S/045/062, Tooele County, Utah

Dear Ms. Thomas:

We have just discovered that we had your Blue Beauty #28 small mine project assigned to a wrong file number. The file number we originally had this project in (S/023/081) was located in Juab County. The correct location is, of course, Tooele County. **We have reassigned the file number for this project to S/045/062.** No other changes were necessary. Records and correspondence from this point forward will now show the new file number.

We apologize for this error. It's good that we have double checks on our records to catch errors such as this. Please reference file number S/045/062 on any future correspondence for your Blue Beauty #28 small mining project.

Sincerely,

A handwritten signature in cursive script that reads "Joelle Burns".
